The Bulkley Valley Quad Riders is a non profit club formed by Smithers and area residents to provide a family oriented group which can get together for various rides and other functions. The BVQR's goal is to promote and sustain the recreational and safe use of **All Terrain Vehicles (ATV)** in our area. We encourage environmentally friendly practices in and around our forests by educating those who use ATVs and other off highway vehicles. We will endeavor to create and maintain several scenic routes and trails in the Bulkley Valley for responsible public use. We intend to increase our membership to include all responsible ATV users in the Bulkley Valley and beyond. We are determined to educate and show all of those who are opposed to the use of ATVs in our area that we are about preserving sensitive ecosystems. We will strive to become a pillar in the recreational ATV community and plan to host many functions at all levels of ATVer abilities in and around the Bulkley Valley.

**The B.V. Quad Riders is a non profit family oriented club which organizes various All Terrain Vehicle (ATV) rides and encourages safe and environmentally friendly use of ATV's.**
